

Curriculum Vitae
Steven R. Erickson

Office Address:

The University of Michigan
College of Pharmacy
Ann Arbor, Michigan 48109-1065

Telephone (734) 763 4989
Fax (734) 763 2022

E-mail serick@med.umich.edu; steveerickson@sbcglobal.net

Home Address:

19630 Gary Lane
Livonia, MI 48152

Home (248) 615 1426
Cell (734) 895 5415

DATE AND PLACE OF BIRTH:

March 29, 1957, Grand Rapids, MI

PRESENT POSITION AND DATE OF EMPLOYMENT:

University of Michigan College of Pharmacy
Associate Professor with Tenure, September 2004 to present
Assistant Professor, January, 1995 to September 2004

EDUCATION:

High School: Wyoming Rogers, Wyoming, MI; 1975

Baccalaureate in Pharmacy: Ferris State College, Big Rapids, MI; 1980

Doctor of Pharmacy: Wayne State University, Detroit, MI; 1984

Professional Enhancement:

Summer Sessions 1991, 1992 and 1996, Clinical Epidemiology, School of Public Health, University of Michigan. Course work included Epidemiology of Aging, Clinical Research Design, Research Analysis, Clinical Epidemiology, Pharmacoepidemiology.

Summer Session 1995 Institute for Social Research, University of Michigan. Coursework included Questionnaire Design and Introduction to Survey Research.

Medical Expenditure Panel Survey training workshops, Agency for Healthcare Research and Quality, September and November 2004.

PHARMACY LICENSURE:

Michigan

PREVIOUS EMPLOYMENT:

Wayne State University, College of Pharmacy, Detroit, MI. August 1990 to December 1994.
Assistant Professor (Clinical), Department of Pharmacy Practice.

Ambulatory care practitioner in the Detroit Medical Center, University Health Center general medicine resident training clinic as well as the Harper Geriatric clinic. Preceptor to pharmacy students and pharmacy residents.

Professional Consultation, Nursing Home Consultant, Oakwood Hospital and TeleRex Pharmacy
1990 - 1994.

Consultant to four long-term care facilities in the Detroit Metropolitan area. Provided chart review, staff development, and pharmacokinetic dosing services. Acted as representative of the pharmacy at quality assurance meetings.

St. Mary Hospital, Livonia, MI. May 1988 to August 1990. Clinical Coordinator

Developed new clinical programs which included aminoglycoside and vancomycin pharmacokinetic dosing service, renal dosing service, and antimicrobial stewardship team. Coordinated and led staff development to support initial training and periodic updating of clinical skills to support clinical pharmacy programs. Member of the Pharmacy and Therapeutics Committee. Daily pharmacy rounds in the medical ICU and cardiac ICU.

Heritage Hospital, Taylor, MI. September 1987 to May 1988. Clinical Coordinator

Developed new clinical programs which included aminoglycoside and vancomycin pharmacokinetic dosing service and antimicrobial stewardship team. Coordinated and led staff development to support initial training and periodic updating of clinical skills to support clinical pharmacy programs. Member of the Pharmacy and Therapeutics Committee.

Sinai Hospital of Detroit, Detroit, MI. September 1985 to August 1987. Section Head, Cardiology and Rehabilitation Medicine, Department of Pharmacy.

Responsibilities included direct supervision of a team of 6 pharmacists and 4 technicians; staff development to support clinical programs for patient care areas covered by my team; quality assurance monitoring and assessment of clinical activities of pharmacists; quality assurance assessment of prescribing for targeted medications in the cardiac intensive care unit and step-down units; daily pharmacy rounds in the cardiac ICU and step-down unit; development and assessment of the patient self-medication training program for the in-patient physical rehabilitation unit.

Wm. Beaumont Hospital - Troy, MI. March 1984 to September 1985. Clinical Pharmacy Coordinator, Department of Pharmacy.

Expansion of existing clinical programs which included aminoglycoside and vancomycin pharmacokinetic dosing service. Coordinated and led staff development to support initial training and periodic updating of clinical skills to support clinical pharmacy programs. Initiated quality assurance program to assess renal dosing of medications for in-patients. Developed the metered dose inhaler technique education program for hospitalized patients, in which all patients admitted who received an inhaler underwent assessment and education related to inhaler technique.

Meijer Thrifty Acres, Kalamazoo, MI. May 1980 to September 1982. Staff pharmacist

PROFESSIONAL AND RESEARCH ORGANIZATION MEMBERSHIPS:

International Society for Quality of Life Research (member 1996 to present)

International Society for Pharmacoeconomics and Outcomes Research (member 1997 to present)
Faculty advisor, University of Michigan student chapter

American Association of Colleges of Pharmacy (member 1990 to present)

Academy for Managed Care Pharmacy (member 2010 to present)
Faculty advisor, University of Michigan student chapter

Michigan Pharmacists Association (member 1980 to present)

American Association for Intellectual and Developmental Disabilities (member 2014 to present)

HONORS/AWARDS

Rho Chi Pharmacy Honor Society (WSU 1983)

Sandoz Research Award (WSU Pharm.D. program, 1984)

Kappa Psi Scholastic Award (FSC Baccalaureate program 1980).

University of Michigan, Council for Disability Concerns, Certificate of Appreciation, October 2015

University of Michigan College of Pharmacy Student Appreciation Award

P-3 class 2002-2003

P-3 class 2005-2006

P-1 class 2005-2006

P-1 class 2007-2008

P-3 class 2011-2012

P-3 class 2014-2015

TEACHING

University of Michigan

1. Ambulatory Care Clerkship - Adult Internal Medicine, preceptor (1995-2011)

2. Pathophysiology and Therapeutics for Primary Care Nursing, P621. Subjects included hypertension, cardiovascular disease. (1995- 2011)
3. Pathophysiology and Therapeutics. Subjects included cardiovascular disease, hypertension, male health (1995-2005)
4. Pharmaceutical Care Labs, Coordinator, Pharmaceutical Care II, Dispensing lab, P352 (2008-2011) Pharmaceutical Care IV, P551 (2008-2011)
5. University of Michigan Health System Department of Pharmacy general practice pharmacy resident, preceptor (1995-2005)
6. Pharm.D. Investigations (1995-present)
7. Pharm.D. Seminar advisor (1995-present)
8. Patient-Reported Outcomes, SocAdmin 724: graduate level course to Social and Administrative Sciences graduate students (2008 to present)
9. Pharmacy and the US Health System, P420, P516, Course Coordinator and lecturer (2011-present)
10. Pharmacy Law and Ethics P520, P530, Course Coordinator and lecturer (2012-present)
11. Community Pharmacy P404, lecture and lab, Course Coordinator (2008-2009); Pharmacy law lectures in community pharmacy (2010- present)

Post-PharmD Health Services Research/Outcomes Research Fellowship, University of Michigan – Co-Preceptor

1. Christopher McBurney 2002
2. Jeffrey J. Ellis 2003-2004
3. Brian DeSmet 2005-2006
4. Jeff Sarnoski 2006-2008

Post-PharmD Ambulatory Care Fellowship, Wayne State University – Co-Preceptor

1. Henry Halapy 1994-1995

University of Michigan Multidisciplinary Clinical Researchers in Training (MCRiT) Summer Practicum - Research mentor – College of Pharmacy Students

1. Alexandra Tungal
2. Christopher Truong
3. Matthew Lau
4. Jade Lee

Graduate Students – University of Michigan, Social and Administrative Sciences Graduate Program

1. Dissertation Committees

Robert Christen, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member , 1997

Janice Schreiffer, University of Michigan School of Public Health

ScD dissertation committee member, 2004

Uscha Mallya, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member, 2006

Anagha Nadkarni, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member, 2008

Chung-Hsuen Wu, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member, 2010

Huang-Tz Ou, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member, 2010

Hsien-Chang Lin, University of Michigan School of Public Health/College of Pharmacy, PhD dissertation committee member, 2010

Jongwha Chang, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member, 2012

Isha Patel, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member, 2014

Erin Thatcher, University of Michigan College of Pharmacy, Social and Administrative Pharmacy, PhD dissertation committee member, 2014

Justin Gatwood, University of Michigan College of Pharmacy, Social and Administrative Pharmacy, PhD dissertation committee member, 2014

Chi-Mei Liu, University of Michigan College of Pharmacy, Social and Administrative Pharmacy, PhD dissertation committee member.

Ala Iaconni, University of Michigan College of Pharmacy, Social and Administrative Pharmacy PhD dissertation committee member.

Xi Tan, University of Michigan College of Pharmacy, Social and Administrative Pharmacy and Administrative Pharmacy, PhD dissertation committee member

David Malewski, University of Michigan College of Pharmacy, Social and Administrative Pharmacy, PhD dissertation committee Chairman.

2. Prelim Research Proposal Advisor

Justin Gatwood, 2012

Ala Iaconni, 2012

Erin Thatcher, 2012

3. Prelim Paper Advisor

Xi Tan 2012

Chi-Mei Liu 2013

Wayne State University (1990 to 1994)

1. Nonprescription Medications
2. Techniques in Patient Counseling and Education.
3. Pathophysiology and Therapeutics I - Rheumatology, Geriatrics, Hypertension and Hyperlipidemia
4. Critical Analysis of Drug Related Problems
5. Geriatric elective - course co-coordinator
6. Doctor of Pharmacy clerkship/Ambulatory care
7. Doctor of Pharmacy clerkship/Geriatrics (1 year)
8. Ambulatory Care clinical rotation for pharmacy residents Detroit Receiving Hospital, 1990-94.
9. Therapeutics - WSU School of Nursing - lecturer
10. Ambulatory Care Fellowship - co-preceptor, 1994.

Madonna University (2000, 2001 and 2006)

1. Advanced Pharmacology (NUR 535)- topics include general principles of pharmacokinetics, hyperlipidemia, ischemic heart disease, hypertension, congestive heart failure, asthma, chronic obstructive pulmonary disease, and allergic rhinitis.

RESEARCH

Funded Projects

H2-antagonist DUE for Bluecare Network. Co-investigator. Merck-Astra. \$25,000, 1991.

Impact of pharmaceutical care on the outcomes of patients with asthma. Co-investigator. American Society for Hospital Pharmacists. \$5000, 1992.

Impact of comprehensive pharmacy services on a long term care institution. Co-investigator. Maria Health Care Center, \$3000; Wayne State University Small Grants, \$600. 1992.

Impact of doctor of pharmacy student interventions on a managed care program. Principal investigator. Rhone-Poulan Rorer. \$2000, 1992.

A comparison of the availability and utilization of pharmacy services by elderly living in urban and suburban areas. Principal investigator. American Association of Colleges of Pharmacy - Parke-Davis ElderCare. \$5000, 1992.

Survey of pharmacists attitudes towards patient counseling education. Co-investigator. Glaxo, \$5000. 1993.

Impact of pharmaceutical care on the outcomes of hypertensive therapy in an internal medicine clinic. Principal investigator. Upjohn, \$9350. 1993.

Impact of pharmaceutical care on the outcomes of patients with type II diabetes. Co-investigator. Upjohn, \$9350. 1993.

Medication use by tenants of senior apartment complexes. Principal investigator, Restoration Towers, Detroit, Mi. \$2000; Wayne State University Internal Small Grants, \$600. 1993.

Evaluation of the Pharmacotherapy Management Model in Asthmatic Patients: A Pilot Study. Co-investigator. Medtronic. \$17,000. 1995.

Health resource utilization and outcomes in patients with asthma. Principal investigator. The Upjohn Research Endowment Fund for Pharmaceutical Research, University of Michigan College of Pharmacy. \$25,000. 1996.

Use of the SF-36 to identify antihypertensive side effects. Principal investigator. The Clinical Research Resources Committee grant, University of Michigan College of Pharmacy. \$14,489. 1996.

Effect of individualized medication compliance reminder messages on outcomes of patients with uncontrolled hypertension. Co-investigator. PolyPharm, Inc. \$20,000, 1997.

Content and construct validation of the Metered-dose Inhaler Technique Questionnaire using the MDI-log as a gold standard. Principal investigator. University of Michigan, OVPR Discretionary Fund. \$3845. 1998.

Assessment of Prescribing Lipid Lowering Agents in a Primary Care Clinic. Principal investigator. Parke Davis, \$4000. 1999

Work outcomes and health-related quality of life in patients with anxiety disorders. Comparison of work performance questionnaires. Principal investigator. The Upjohn Research Endowment Fund for Pharmaceutical Research, University of Michigan College of Pharmacy. \$19,087. 2001.

Health-related quality of life and perceived work performance of patients undergoing smoking cessation. Principal investigator. Clinical Research Resources Committee grant, University of Michigan College of Pharmacy. \$6762. 2001.

Health-related quality of life and work performance of patients after acute coronary syndrome. Principal investigator. Clinical Research Resources Committee grant, University of Michigan - College Of Pharmacy. \$6700. 2002.

The patient's role in medication safety. Co-investigator. Research Resources Committee, University of Michigan - College Of Pharmacy. \$11,542. 2003.

Developing effective uses of hand-held video devices in classroom and field instruction. University of Michigan Whitaker Fund for the Improvement of Teaching. Principal Investigator. \$10,000, 2006-2007.

Developing a comorbidity index for health-related quality of life studies. Agency for Health-Care Research and Quality, R03. 1 R03 HS017461-01A1 \$67,294. 2008-2009. Principal Investigator. 20% effort.

Chronic illness and medication therapy of committed exercisers: a comparison between United States Masters Swimmers and the general population (NHANES). \$1500. 2011

Health literacy of caregivers of adults with developmental disabilities. University of Michigan MICHR Seed Grant \$5000. 2012

Medication adherence to statins in the State of Michigan: spatial analysis. University of Michigan Cardiovascular Center Microgrant, \$5000. 2013

Teaching healthcare providers to facilitate self-management of spinal cord injury. Neilsen Foundation. Michelle Meade-PI. 5% effort 2015-2016

Detroit URC Community Participatory Research Grant, Partnership Development, with the Detroit Wayne Mental Health Authority. \$3000. 2015-2016.

Current research interests

Development and assessment of innovative pharmacy services to improve the outcomes of appropriate use of medications.

Assessment of medication use processes to ensure the safe and effective use of medications by people with intellectual and developmental disabilities.

Study of patient, disease, and treatment factors associated with health related quality of life, patient-perceived functional status, and measured functional status and performance.

Development and refinement of risk-adjustment models to improve prediction of health status, health care resource use, and mortality.

Study of the association between geographic, neighborhood, and spatial factors with medication adherence and persistence.
